

WHAT VOLUNTEERING MEANS TO YOU

One part of the Volunteer Centre's website showcases the experiences of local volunteers. We would like to expand this section by drawing from as wide a range of people as possible.

Would you help by giving us some information about yourself and your experiences in the questionnaire below? We are particularly interested in learning why you volunteer and what benefit you get from it. Please don't think you have to fill in every section; on the other hand, if there's anything you'd like to say that we haven't asked, please add it in the final box.

Since the information you give may appear on our website, please only give us information that you are happy to have made public.

Your full name, address, email address and phone number (these details will not be published — we will use them only to contact you if necessary).

The name you would like us to use on our website (this could be your first name or a nickname).

Your background: e.g. family, previous work/volunteering experience etc.

Why you started volunteering and your expectations.

Where you have been volunteering and when you started.

What you have been doing as a volunteer.

What you think you have contributed to the organisation.

Any funny or particularly memorable incidents arising from your volunteering.

What you have learnt from volunteering.

Anything else!

Thank you for your help.

Please return your questionnaire to the Thornbury Volunteer Centre, The Town Hall, 35 High Street, Thornbury, Bristol, BS35 2AR,. If you want to contact us our phone number is 01454 413392 and our email address is mail@volunteer-thornbury.co.uk .
