Register as a Volunteer

Thank you for deciding to register as a volunteer. So that we can offer you support and advice please take a few minutes to complete this registration form. You can choose not to answer any question. If you are unsure about any part of this document please ask for advice or assistance.

Data Protection

1. At no time will we provide any of your personal details to a third party without your permission. However, as part of our aftercare service and for statistical purposes we may contact an organisation to find out whether you have taken up an opportunity; necessarily we will have to mention your name when doing so but we will provide no other details.
2. You have the right to see any information about you that we hold in a retrieval system such as a computer database or paper index system. You have the right to challenge us about that information and have it changed or removed.
3. We may compile statistical data from time to time but this will never include references to a particular individual.
4. If you wish to be kept up to date with information and events you need to ask us to include you in our mailing list - see the declaration at the end of the form. We will never sell or give our mailing lists to a third party.

What will we do with the information you give us?

We will hold your information confidentially. Using the information we will try to match you with volunteering opportunities that appear to suit your preferences and availability. If we find a match we will contact you with the details of the volunteering opportunity; you can then decide if this is something you would like to become involved with as a volunteer or not. If not, we will continue to look for volunteering opportunities that you may be interested in. We will not send your name and contact details to an organisation seeking volunteers unless you have agreed with us that we may do so.

Disclosure and Barring Service

Some opportunities require that a DBS check be carried out on anyone who wishes to volunteer with that organisation. This is often the case if the volunteering involves working with children or vulnerable persons.
